Multifunction System

Xerox® WorkCentre™ 7800 Series Multifunction System

Transform the way you work.

A man in a white shirt and tie is looking at a document in a meeting. He is surrounded by other people, some of whom are also looking at the document. The background is blurred, suggesting an office setting.

The smartest technology investments do more than pay for themselves. Ideally, they integrate and streamline multiple office processes, simplify complex tasks, and free up company resources so you can devote more energy to growing your business.

And in today's competitive environment, choosing the right technology provider means getting more than the latest features. You need a complete solution that delivers efficiencies you never imagined – one that solves problems now, while also providing the framework you need to stay one step ahead of potential workflow obstacles.

You need the solutions powered by Xerox® and our WorkCentre™ 7830/35/45/55.

Promote your strong image and minimise costs.

The print quality you need to succeed. With the Xerox® WorkCentre™ 7800 series multifunction system, you'll achieve high-impact colour documents that impress customers and deliver results – while minimising costs.

Take Colour to a Whole New Level

The Xerox® WorkCentre 7800 series, with advanced Hi-Q LED technology, helps you create professional-looking documents at the touch of a button.

- **High-resolution output, highly impactful documents.** With 1200 x 2400 dpi, photo-quality colour images and rich, crisp text, your output always makes a huge impact.
- **Always accurate image quality.** The WorkCentre 7800 series multifunction system employs advanced print heads with Digital Image Registration Control Technology, which ensures consistently outstanding image registration.

- **Impressive results.** Print vibrant images on a variety of stock as large as 320 x 483 mm and on paper weights up to 300 gsm. Impressive finishing capabilities range from saddle-stitch booklets to folded brochures.
- **Harness the power of Fiery®.** Upgrading your WorkCentre 7800 series with an EFI Fiery® network server gives you easy-to-use colour management tools, enhanced productivity and security features and flexible workflow tools.
- **Keep your costs under control.** User Permissions allow the ability to restrict access to print features by user, group, time of day or by application. For example, all Outlook emails can be set to output automatically in black and white duplex and all PowerPoint presentations print in color.

Colour By Words: Unique Colour Control

With the Colour By Words feature there is no need to go back to square one and manipulate source files. You simply select the desired colour modifications from a drop-down list, and Colour By Words will adjust your printout.

Original photo not right? Use the Colour By Words drop-down list and choose "yellow-green colours a lot more green," and "red colours a lot more vivid." Picture-perfect results.

More time for the work that matters most.

The business world is complex enough – your business processes don't have to be. Xerox gives you the tools and technologies that make it possible to automate common office workflows, to turn challenges into routine tasks and to simplify the ways in which you share business-critical information.

Single Touch Scanning

Use the Single Touch Scan feature to create a dedicated, easy-to-locate scan button directly on the colour touch screen interface. Assign the Single Touch Scan button its own scanning workflow for fast document distribution and archiving.

Easy at Your Point of Need

The colour touch screen provides easy access to a wealth of workflow-optimising capabilities. Onboard scanning solutions that require no extra software or middleware: Single Touch Scan; on-box Optical Character Recognition with searchable PDF creation; secure PDF; print from and scan to USB device; Scan to Email, Mailbox and Network. Plus, single pass scanning simultaneously scans both sides of two-sided documents, while high-compression technology reduces file sizes.

Extend Your Possibilities

Transform the way your business gets vital work done with the power of Xerox® Workflow Solutions, built on the Xerox® Extensible Interface Platform® (EIP), choose the right solution that fits your business whether it's hosted within the cloud or locally on your server.

Some examples of Xerox® Workflow Solutions that users can access via the colour touch screen interface are:

- **Xerox® ConnectKey® for SharePoint®.** Scan files directly into Microsoft® SharePoint® and other Windows® folders. Plus, you can go beyond basic file storage and PDF creation by automatically converting documents to intelligent, structured data with easy file naming and routing tools.
- **Xerox® ConnectKey Share to Cloud.** Provides easy, secure, scalable scanning to popular cloud-based repositories such as Google Docs, Salesforce.com, Office 365 and Dropbox™, using custom-designed workflows that leverage our Xerox® EIP technology.

Learn more about Xerox® Workflow Solutions at www.office.xerox.com/software-solutions.

Unrivalled security for total peace of mind.

Business data is your company's lifeblood. That's why Xerox engineered the WorkCentre™ 7800 series devices with the most complete range of advanced features, technologies, and solutions from security-industry leaders that safeguard your critical information from all potential points of vulnerability.

- **Protect your confidential information.** Safeguard all sensitive data with encrypted PDF files for scanning; complete hard drive encryption, compliant with the 256-bit AES FIPS 140-2 standard; and Image Overwrite with a 3-pass scrub process to ensure total deletion of all data fragments.
- **Prevent unauthorised Access.** Permit only authorised users from accessing the device with Xerox user permissions, network authentication, IP filtering, and smart card, role-based and function-level login.
- **Proactive threat management.** Monitors security clearing houses for new vulnerabilities and provides patches when necessary, ensuring your equipment stays current and your data is kept safe. Plus, you can receive up-to-the-minute updates via RSS feeds and stay informed via www.xerox/security.
- **Stay compliant with regulations.** WorkCentre 7800 series devices comply with the latest security standards across industries, including government, finance and healthcare. These include Common Criteria, HIPAA, Data Protection Act, COBIT and more. These devices can conform to any standard, with controls available to match your needs.
- **Gain complete visibility.** Prevent IP theft and ensure non-repudiation by having total visibility into the device and network. With security policy management and tracking of all activity on the device with Audit Log, you know who accessed what and when.

Powerful Partnerships

The Xerox® ConnectKey® Controller includes McAfee technology integration, resulting in the industry's first line up of multifunction systems that protect themselves from potential outside threats. McAfee's whitelisting technology ensures only safe, pre-approved system files run on your devices, minimising the need to manually update software levels against new security threats. Also, seamless integration with the Xerox® Managed Print Services toolset and McAfee allows for easy tracking and monitoring.

Plus, automatic Cisco TrustSec ISE integration provides comprehensive visibility of all ConnectKey multifunction systems' endpoints to enforce IT-centric security policies and compliance.

Xerox is here so you can connect anywhere.

Real business is not limited to the workplace. And with Xerox in your office, the freedom of uninhibited mobility empowers the confidence to do what you do best wherever your real business takes you.

Freedom in the Office and Room to Roam

The WorkCentre™ 7800 series gives your office staff the luxury of controlling device functions from any workstation. Plus, mobile professionals can access the communications tools and productivity solutions regardless of location.

- **Apple® AirPrint™.** Print email, photos and important office documents directly from your Apple iPhone® or iPad® with no drivers to install and no cables to connect. With AirPrint, your iPhone or iPad automatically locates and connects to the AirPrint-enabled WorkCentre 7800 series device over your office Wi-Fi network.

- **Xerox® Mobile Print and more.** Xerox has all the options to enable secure, accurate printing from most mobile devices, to any printer or multifunction system, regardless of brand. Plus, Xerox offers IT-friendly optional capabilities such as PIN code access and multiple mobile operating systems. For more information, visit www.xerox.com/mobile.

Remote Monitoring and Management.

The Remote Control Panel feature lets you operate the WorkCentre 7800 series device's user interface from any office workstation as though you were standing at the device.

Remotely train users and configure device settings with the peace of mind that integrated security allows only a single authorised operation at a time to prevent multiple remote procedures.

1 High-Capacity Feeder holds 2,000 sheets of paper. This brings the maximum capacity up to 5,140 sheets. The WorkCentre 7830/7835 models are available with capacities of 2,180 or 3,140 sheets.

2 Exceptional media flexibility. The WorkCentre 7800 series handles a wider range of media types and weight from more trays than most devices in its class. It supports up to 300 gsm and media sizes up to 320 x 483 mm.

3 Print envelopes easily using our optional envelope tray (replaces Tray 1).

4 Large work surface (recommended for Convenience Stapler) gives you plenty of room to sort documents.

5 Dual-head, single pass scanner on the WorkCentre 7845/7855 saves time by simultaneously scanning both sides of two-sided documents at up to 133 impressions per minute.

6 Office Finisher LX* (not shown) gives you advanced finishing functions at a great value.

7 Integrated Office Finisher (only for WC7830/7835)* (not shown) provides 500-sheet stacking and 50-sheet, single-position stapling.

8 Professional Finisher* adds 50-sheet multiposition stapling, hole punch, V-fold and saddle-stitch booklet making.

* Optional

Environmental Features

The WorkCentre 7800 series delivers cutting-edge reductions in energy consumption.

Conserve Energy with Green Technologies

- **EA Toner.** Our EA Toner with ultra low-melt technology achieves minimum fusing temperature at 20 degrees C lower than conventional toner for even more energy savings and brilliant glossy output even on ordinary paper.
- **Induction heating.** The newly developed, heat-efficient IH fuser does not require preheating, which helps reduce power consumption in standby mode by 44 % compared to a resistance heating device. Plus, the device recovers from sleep mode in less than 10 seconds.

- **LED scanner.** The power consumption of the scanner using LED lighting is 1/3 of traditional scanners using fluorescent lamps.

Manage Resource Usage and Print Responsibly

- **Energy Management.** With Cisco EnergyWise, enabled by Xerox Power MIB (Management Information Base), you can control, manage and report your device's power consumption information, and set optimal power states and timeout intervals.
- **Earth-smart printing.** Allows you to choose the most environmentally sensitive options for your print jobs.

WorkCentre 7800 series multifunction systems are powered by the Xerox® ConnectKey® Controller. These simple-to-implement systems give you real, practical solutions that easily streamline how you communicate, process and share important information, simplify complex paper-driven tasks, and drive down costs while keeping your data secure. For more information, go to www.xerox.com/connectkey.

Xerox® WorkCentre™ 7830/7835/7845/7855

Print from USB	Allows walk-up printing from Type A USB port on front panel Supports direct printing from computer via Type B USB port Supported file formats: PDF, JPEG, TIFF, PS, XPS ³ , PCL Colour jobs can be printed as black and white
Operating Systems	Microsoft® Windows® XP SP3 (32- and 64-bit) Windows Server 2003 R2 (32- and 64-bit) Windows Server 2008 and R2 (32- and 64-bit) Windows Server 2012 and R2 Windows Vista SP2 (32- and 64-bit) Windows 7 (32- and 64-bit) Windows 8 (32- and 64-bit) Windows 8.1 (32- and 64-bit) Mac OS 10.7, 10.8, 10.9 Linux Redhat Fedora Core 19 X86 Ubuntu 13.10 X64 openSUSE 13.1 X64
Network Protocols	TCP/IP: HTTP/HTTPS, Internet Printing Protocol, LPR/LPD, Raw Socket Printing/Port 9100, IPv4/IPv6, WSD NetWare: Bindery and NDS IPX/SPX, NDPS®/NEPS (with Server Gateway) AppleTalk®: EtherTalk® Microsoft Windows Networking over IP Bonjour® IPv6 Secure FTP Most protocols not in use can be disabled
Administrative Protocols	DHCP, BOOTP, SNMP, WINS, SLP® v2, HTTP, HTTPS, DHCP Autonet, SSL, NTP, DNS, SSDP
Fonts	PCL: 93 scalable fonts, line printer and bitmap font (including Cyrillic font support) PostScript 3: 173 Type 1 fonts, 2 Multiple Master fonts
Xerox® Mobile Express Driver®	Makes it easy for mobile users to find, use and manage Xerox® and non-Xerox devices in every new location. Plug into a new network, and Mobile Express Driver automatically discovers available printers and provides status and capability information. Save a list of “favourite” printers for each location, store application print settings for use on any printer in any network, and greatly reduce mobile support calls to IT.
Xerox® Global Print Driver®	A truly universal print driver that lets IT administrators install, upgrade and manage Xerox® and non-Xerox devices from a single driver. It provides a consistent, easy-to-use interface for end-users, reducing the number of support calls, and simplifying print services management.
Xerox® Pull Print Driver	Makes it easy for IT managers to qualify, deploy and manage all print devices using a single driver in a Pull Print environment. Uses a single queue and single driver. The Xerox® Pull Print Driver extends convenience across a broad range of printing assets. IT administrators no longer need to manage and configure multiple drivers. Used in conjunction with Xerox Secure Access Unified ID System®, Equitrac Office®, Ysoft® SafeQ®, Pharos® and others.
Print Solutions	
Xerox® Mobile Print Cloud (Optional)	Xerox® Mobile Print Cloud addresses the needs of businesses with a mobile workforce and puts you ahead of the evolving mobile print need, but without burdening staff, budget or infrastructure. Getting started takes only a few minutes via the cloud. Print from any mobile device to nearly any brand of printer. Accurate printing with true Microsoft® Office® rendering and more. Print what you need, when, where and how you need it.
Xerox® Mobile Print Solution (Optional)	Xerox® Mobile Print Solution is an ideal choice for sites that have additional requirements for control and security with an onsite server. Xerox® Mobile Print Solution allows users to print from most mobile devices to nearly any brand of printer or multifunction printer without drivers or added complexity. Simply enter a release code (PIN) at the device and get accurate printing with true Microsoft Office rendering and more to use with your server for private, onsite deployment.
Unified Address Book for Fax, Internet Fax, Email and Scan to...	
Features	Services supported: Fax, Internet Fax, Email, Scan to Maximum contacts: 5,000 Contacts: Supports 1 or more destinations Favourites for quick access of fax numbers, emails, etc.

Xerox® WorkCentre™ 7830/7835/7845/7855

Additional Scan Information	WorkCentre 7830	WorkCentre 7835	WorkCentre 7845	WorkCentre 7855
Concurrency	Scan while the system is printing, copying, or while it is transferring scan to network or fax jobs (priority is for return of scanned originals and printing concurrent jobs)			
Input Speed	Scan at up to 70 ipm colour scanning, up to 70 ipm black and white – A4 LEF		Scan at up to 133 ipm colour scanning, up to 133 ipm black and white – A4 LEF	
Resolution	72 x 72 dpi to 600 x 600 dpi Bit Depth: 1-bit (black and white), 8-bit (greyscale), 24-bit (colour)			
Maximum Scan Area	A3			
Scan Template Management	Support 250 scan templates Create Xerox® CentreWare® IS scan templates and share via device cloning to other multifunction printers Confirmation sheet options			
Network Protocols	sFTP, FTP, SMB, NetWare, HTTP, HTTPS			
File Compression	Colour TIFF (TIFF 6.0 or TTN2 with JPEG, LZW) Black and white TIFF (G3MH, G4 MMR compression - single or multiple pages) Searchable PDF and PDF/A (MRC, JPEG, G3 MH, G4 MMR, JBIG 2 Huffman, JBIG Arithmetic Compression, Deflate (for Black and white and within MRC)) Linearised PDF / PDF/A			
Document Management Fields (Meta Data)	Features only available in Network Scan to File Templates: <ul style="list-style-type: none"> • 1 to 6 user programmable metadata fields per network scan to file templates and unlimited fields within the template – Metadata field consists of field name, default value and other configurations • Customised fields viewed on user interface for variable data input 			
Scan Features	Mixed Size Originals Scan Build Job Compression Quality/File Size Control Original Type (Photo and Text, Photo, Text, Map, Newspaper / Magazine) Auto Background and Shadow Suppression Size for Size (for mixed size originals) TWAIN Support / WIA Support Bound Originals Edge Erase Reduction/Enlargement Single Touch Scan buttons (up to 10)			
Scan to Email (Standard)				
Scan Features	<ul style="list-style-type: none"> • Email signatures (6 lines each of 128 character max), email message body (user configurable), email CentreWare IS confirmation sheet options • Scan to Email S/MIME Encryption • Email Signing (requires Smart Card option) • Auto send to self 			
Directory Access	Address list via LDAP (Windows Active Directory, Exchange, Notes, Domino) Downloaded address list (comma-separated file format) Utilises the Unified Address Book			
Scan to... (Standard)				
Features	Scan to USB Scan to Network Folder (uses Unified Address Book entries)			
Network Scanning – Software Solutions				
Xerox® Scan to PC Desktop Professional (Optional)	A desktop offering that provides advanced document imaging, archiving, editing and organisation tools: <ul style="list-style-type: none"> • PaperPort Professional image viewing and file management software <ul style="list-style-type: none"> – Complete PDF functionality – Secure PDF workflow of all scanning applications • OmniPage Pro Office (for desktop/client installation) – Professional OCR software for digital archiving and document conversion • Image Retriever – provides fully automated retrieval of scanned images direct from a scan enabled Xerox® WorkCentre to individual desktops. Also includes email inbox polling capability 			
Xerox® ConnectKey® for SharePoint® (Optional)	Xerox® ConnectKey for SharePoint simplifies and streamlines the way you scan, capture and store your paper-based documents. Using your Xerox® multifunction printer, you can route documents directly into the precise document repository folder, just like you would from your PC. At the multifunction printer, you can browse to the folder, name the document, and add any key indexing information before you scan. With the flexibility to capture and route to SharePoint as well as Windows folders, ConnectKey is the right solution for any office that needs to archive and share paper-based documents.			

Xerox® ConnectKey® Share to Cloud (Optional)	ConnectKey Share to Cloud provides organisations with powerful, easy and secure document scanning capabilities that connect your Xerox® multifunction printer to popular cloud services and email, such as Google Docs™, SalesForce.com, Office 365 and Dropbox™ and gives employees anytime, anywhere access to their most important documents using mobile devices.
Xerox® ConnectKey® for DocuShare® (Optional)	Xerox® ConnectKey for DocuShare, a one step scan-to-workflow solution, simplifies the process of incorporating hard copy content into enterprise document flows. Users can easily scan documents directly into a DocuShare collection or Windows folder via a multifunction printer.

Security

Features	<ul style="list-style-type: none"> • Expanded Authentication <ul style="list-style-type: none"> – Network authentication to access device and/or device services via- Kerberos (UNIX / Windows Server 2003 / Windows Server 2008), SMB (Windows Server 2003 / Windows Server 2008), NDS, LDAP – Xerox Secure Access Unified ID System® – Local Authentication (internal database) – Smart Card authentication -144k CAC/PIV Card Support (2048 bit certificate key)/ .NET • Secure Data <ul style="list-style-type: none"> – Digitally signed PDF (when using Smart Card authentication) – Encrypted Scan to Email – Encrypted / Password Protected PDF (Email and Network Scan Templates only) – Secure Print (up to 10 digit PIN or Network Authentication) – Immediate Image Overwrite – On Demand Image Overwrite (Scheduled, Manual), includes sanitation of unused area of disk – FIPS 140-2 256 bit Hard Disk Encryption • Expanded Authorisation <ul style="list-style-type: none"> – SA access based on network credentials – Authorisation per user per service – User Permissions required to access Print and Print Features (e.g. colour access or time restrictions) reflects in the print driver • Secure Network Access • IP Filter, IPsec, IPv6, SSL v3.0, SNMPv3, HTTPs, 802.1X, Cisco® TrustSec Identity Services Engine (ISE) integration, Device Security <ul style="list-style-type: none"> – McAfee® Embedded Security, Port disablement including USB ports, Audit Log, Hide Print Job Names, McAfee Integrity Control (optional) • Common Criteria Certification ISO 15408
Xerox Secure Access Unified ID System® (Optional)	Xerox® Secure Access Unified ID System integrates your Xerox® multifunction printers with your existing employee/ student ID PIN or badge providing a flexible and convenient authentication system. Allow your staff, employees or students to send documents to a centralised print server. Then, at any multifunction printer on the network, they'll simply log in with a swipe of their magnetic or proximity ID card or their PIN to securely print their job. For more information, go to www.office.xerox.com/software-solutions

Fax

Network Server Fax Features

Compatibility	ITU (CCITT) group 3 Various Xerox® Alliance Partner Solutions
Maximum Scan Area	A3
Fax Send Features	One- or two-sided scanning (up to A3) Add to send list (50 numbers maximum) Build Job, Favourites, Delay send (specific time) Original type (photo, text or photo and text)
Fax Print Features	One- or two-sided printing, staple, Secure Print
Transmission Resolution	Superfine: 400 x 200 dpi (Scan at 600 x 600 dpi) Fine: 200 x 200 dpi Standard: 200 x 100 dpi

Internet Fax Features

Capability	Direct print-ready document transmission to remote Internet Fax machines or email clients (SMTP) Reception and automatic printout of documents sent via email from remote Internet Fax machines or email clients
Directory Access	Utilises the Unified Address Book
Send / Receive	Multi-page TIFF, Image only PDF
Resolution	72 x 72 dpi to 600 x 600 dpi Bit Depth: 1-bit (black and white)
Network Protocols	SMTP (send), POP3 (receive)
Compliance	ITU-T T.37 compliant

Walk-up Fax Features (Optional (Customer-installable) – 1 and 2 lines)

Compatibility	ITU (CCITT) Group 3
----------------------	---------------------

Speed / Modems	One or Two V.34 modems: 33,600 bps. Less than 4 seconds per page transmission time ATA analogue terminal adaptor utilising T38 (optional)
Compression / Speed	MH/G3, MMR/SG3
Resolution	Walkup Send: Standard: 200 x 100 dpi Fine: 200 x 200 dpi Superfine: 600 x 600 dpi Receive: Accepts all sizes
Fax Send Features	LAN Fax (fax from print driver) Auto Fax Transmission Reduction Page-by-page Job Status at the Machine Delay start, Build Job, Favourites Automatic Memory Resend Automatic Cover Sheets PSTN Fax Batch Send (up to memory capacity)
Fax Receive Features	One- or Two-sided Printing Stapled or Unstapled Receive Print Mode – Manual (size, margin, stock, header) / Auto Output Tray Selection Up to 200 Password Protected Mailboxes Secure Receive Receive Timestamp Auto Answer Delay
Fax Forward	Forward to Email or SMB Location Fax forward on receive only
Fax Reports	Activity, Dial Directory, Group Directory, Transmission Confirmation, Pending Fax, Options Report, On Demand Overwrite Report, Mailbox Report, Broadcast Report
Directory Access	Utilises the Unified Address Book Group fax available
Auto Redial	Up to 14 attempts (per country requirements) • 1 to 25 minute intervals
Auto Resend	Up to 5 attempts
Device Management	
Management Support	SNMP Version 1, SNMP Version 2c and SNMP Version 3 trap over TCP/IP and IP MIB access (IETF-MIBII RFC 1213), Host Resources MIB RFC 2790, Printer MIB RFC 1759 v.2
Xerox® CentreWare® Web	A Web-based server application for network administrators that permits Web browser-based device management from any workstation, whether running Windows, UNIX or any other operating system: <ul style="list-style-type: none"> • Works with any SNMP-managed printer from any manufacturer. • Provides help with device discovery and installation, health checks and troubleshooting, and device upgrades, as well as basic accounting and asset management. • Requires Windows XP, Vista or Windows 7 and Internet Explorer 6.0 and higher. • CentreWare Integration available for Tivoli® NetView®, Unicentre TNG®, Microsoft Management Console (MMC), HP® OpenView®
Novell NDPS/NEPS	Server gateway application: centralised management tool.
Xerox® Device Manager	Xerox® Device Manager collects and manages the data that drives fact-based decisions for your enterprise device management environment. It is a single tool to install print queues and configure, manage, monitor and report on both networked and locally connected devices – regardless of vendor – across your enterprise. Xerox® Device Manager provides: <ul style="list-style-type: none"> • Device monitoring and troubleshooting • Extensive reporting and discovery of new devices • Usage collection, chargeback and billing capabilities
Xerox® Device Types for SAP Environment	Xerox, together with SAP through our Gold-level membership in the SAP Printer Vendor Programme, provides seamless connectivity between SAP systems and your Xerox® printers and multifunction printers. And as an SAP customer you benefit from having SAP-certified Xerox® device types available right from SAP's online delivery model. SAP-certified device types for Xerox® printers and multifunction printers are available to download. www.office.xerox.com/software-solutions

Xerox® Device Types for SAP R/3 Intelligent Barcode Utility (optional)	Provides built-in process intelligence that allows the printing of barcodes on any appropriately configured PostScript printer in specific versions of SAP environment and within Latin-1 (ISO8859-1) SAP system code pages only. Used in conjunction with Xerox® PostScript Device Types for SAP environment and Xerox® Font Centre Barcode Fonts. Information available at www.office.xerox.com/software-solutions
Xerox® Barcode Pro PS (optional)	Enables intelligent PostScript printing on Xerox® multifunction printers by storing Xerox® software, as well as, the barcode fonts on the printer hard disk. Enables the printing of barcodes from any application (SAP client or mainframe) that supports PostScript printing. Information available at www.office.xerox.com/software-solutions
CentreWare Internet Services – Integrated Web Pages Provided by the Device	
Device Status	Web server embedded in Network Controller: <ul style="list-style-type: none"> • Tray status/contents • Consumables status • Alerts Remote Control Panel
Job Submission	Print ready files: PS, PCL, TIFF, PDF, JPG, XPS ³ , TXT, PRN Output feature selection (2-sided, output colour, collate, orientation, staple, hole punch, folding, output destination) Delivery options (Immediate, sample set, delay and secure, Save job or reprint)
Device Administration	Allows simple, remote installation setting of configuration options and management of the device
Browsers	Internet Explorer 7.x, 8.x, 9.x Safari 5.x Mozilla Firefox 4.x, 5.x, 6.x, 7.x, 8.x, 9.x, 10.x, 11.x Opera 11.x Chrome 12
Support	Install print / scan drivers and online support available via web page
Languages Supported	International English, International French, Italian, German, International Spanish, Dutch, Brazilian Portuguese, Swedish, Norwegian, Danish, Finnish, Russian, Simplified Chinese, Korean, Japanese
Remote Print Services	
Automated Meter Reads (AMR)	Automates the process of collecting and submitting meter reads for tracking and billing of Xerox® device usage. Eliminates the need for time-consuming end-user involvement and ensures that meter reads are submitted to Xerox on time.
Automatic Supplies Replenishment (ASR)	Automatically orders supplies for Xerox® output devices based on actual usage, eliminating the need to manually manage supplies inventory.
Accounting	
Xerox® Standard Accounting (Standard)	
Tracking	Copy, Print, Fax, Scan and Email usage
Accounting	Up to 2,497 User accounts (User ID) Up to 500 General accounts (Client) Up to 498 Group accounts (Department)
Features	<ul style="list-style-type: none"> • Administrator can manage the feature via the Web User Interface or device control panel in tools • Administrator has the ability to import or export user accounts, Group Accounts, General Accounts and User limits via an industry standard CSV file
Accounting Options – Network Accounting – Third Party Enablement	
	<ul style="list-style-type: none"> • Enhanced network accounting with up to the minute data on how the system is being used • Comprehensive management and enterprise scale tracking and reporting of device usage of copy, print, scan and server fax • Other solutions are available through Xerox® Alliance Partners. For details visit www.xerox.com • Security enhancements with the addition of HTTPS protocol support • Device requests account authentication from third party server enabling larger databases of users and accounts • Accept Authentication Login at control panel and pass to third party Networking Account • Interface with third party accounting terminal for accounting user interface

Xerox® WorkCentre™ 7830/7835/7845/7855

EFI Fiery Network Controller (Optional)

Xerox® Smart Kit®			
Drum Cartridge⁶	1 Cartridge per Colour	125,000	013R00662
Waste Toner Container⁷	1 Cartridge	43,000	008R13061

¹ Maximum volume capacity expected in any one month. Not expected to be sustained on a regular basis.

² Expected regular monthly throughput

³ XPS option is required to print XPS files

⁴ Paper capacities are based on 75 gsm stock; capacities will vary with different weight stocks.

⁵ Assumptions: Toner cartridge yield is based on 5% area coverage on A4 LEF. Toner yield can vary due to many factors, including but not limited to, image area coverage, image content, media size, run mode, application types, monthly print volumes and image quality set points.

⁶ Average drum yield is based on a run length of 5 pages of A4 LEF pages, with split of 30% colour / 70% black and white pages.

⁷ Waste Toner Container yield will vary depending on type of image, area coverage % and Job run length.

Return spent imaging supplies through the Xerox® Green World Alliance collection/reuse/recycling programme. For more information, visit www.xerox.com/about-xerox/recycling.

For more information, visit us at www.xerox.com/office
