

EB-L260F

DATASHEET / BROCHURE

Deliver Full HD content easily through a scalable display delivering of up to 310 inches combined with stream and share connectivity.

Combined with advance features, the EB-L260F is an entry-level Full HD wireless laser projector the ideal solution for any working environment. It offers 4,600 lumens brightness, a range of wireless and wired connectivity and the ability to have a scalable display size of up to 310 inches.

Excel your content delivery

The perfect Full HD laser display solution allows you to upgrade to laser performance and reliability without paying a premium. High contrast of 2,500,000:1 and 3LCD technology ensures professional, outstanding and clear content delivery in any working environment while keeping audiences engaged.

Simple set-up and connectivity

Offers MTR auto power-on function by HDMI video signal detection and an array of connectivity options including Dual HDMI and built-in wireless LAN to stream content from laptops or mobile devices with Screen Mirroring (Miracast) - PIN code support and display dialog username when connected Miracast to projector allows teacher to block student interruption while teacher is projecting. USB power supply (2A) for easy smart stick connection. Compatible with iProjection software for easy connectivity with mobile devices and content sharing.

Peace of mind and long-lasting durability

Project for longer with exceptional reliability and a longer usage life of up to 30,000 hours in Eco Mode (20,000 hours normal). The EB-L260F is covered by a five-year warranty.

Fit and forget installation, ease of installation

This light weight and compact projector supports 360 degree installation without compromising the display quality and supports 16:6 ultra-widescreen, HDMI output and edge blending for multi-projector installs.

KEY FEATURES

- **4,600 lumens brightness display**
Full HD crisp images and bright colours, even in well-lit rooms
- **A scalable display**
Flexible scalable display from 31 inches up to 310 inches
- **Stream content easily**
Wireless, MTR auto power-on by HDMI and easy smart stick connection.
- **Fit and forget reliability**
Easy installation with multi-projection and signage function.
- **The complete solution**
With an incredible contrast ratio of 2,500,000:1, the EB-L260F delivers vivid, lifelike content and defined shadow detail with deeper blacks
